BUDGET RADIATORS FOR EVERY BATHROOM OR SHOWER ROOM. AVAILABLE IN CHROME ONLY

An essential component of any bathroom. Practical to install and easy to clean, it is available in a range of convenient sizes.

In chrome, a beautiful solution for those who take pride in the style of their furniture in every corner of their home. Greater distance between the tubes guarantees a sharper, more elegant design.

Adhesives, Cleaner & Sealants
 for all Wetrooms Panelling

Wetrooms Sealant is of the highest quality silicone. It is a fast curing, low modulus, neutral fungicidal silicone sealant, developed for use with Wetrooms panelling, and for general sanitary use.

It is recommended that only Wetrooms Adhesive sealant and cleaner is used.

Use 1 tube of silicon sealant and 1 tube of adhesive per panel/pack of panels.

Panelling can be stapled, panel pinned, glued, or screwed onto batons or directly to the wall. It is recommended that only Wetrooms adhesive sealant & cleaner are used.

Due to the limitations of the printing process colours may vary from actual products. Please check pack batch numbers when buying your Wetrooms panelling. Do not expose to direct sunlight, or temperatures in excess of 60°C. Wetrooms reserve the right to alter the technical specifications in this brochure. Wetrooms and Widepanel are registered trade marks.
